Some CIOs in Mainland China

- Only few university has CIO
- Organization Structure
 - Layer1: Associate President for several areas
 - Layer2A: Head of IT management department
 - Layer2B: Head of dif. operational departments
 - ✓ Merge together and new comer !
- Real situation
 - Layer 2A and 2B maybe same person
 - Several Layer 2B header may swap position

CIO in SCUT since 2010

- Assistant President not only for IT
 - May not be a CIO
- Re-organization
 - Layer1: Associate President for several areas
 - Layer2A: Head of IT management department
 - Layer2B: Head of dif. operational departments
 - Layer 2A and 2B same person
- Benefit and lesson
 - Associate President is the right position for CIO
 - Management skill or CIO skill is very important

CIO may appear in Chinese top
university
